

2010 super bowl tournament

On Sunday February 7 the members of the country club of Lexington kicked of their member tournament season with the 4 man captain's choice, super bowl tournament. In a new year that has not provided a large quantity of golf worthy days, Sunday was very cooperative, partly cloudy with highs in the low 50's was a welcomed change.

The format was a 4 man captain's choice with a football theme, including a punt hole, 2 pass holes and a kick hole, starting each of these holes where the football came to rest. 84 players of all calibers were in the field and they represented themselves quite well. The competition was tight in both the gross and net divisions, and the teams came off the course with smiles abound and hope in their hearts set on winning this, the first foray into competitive golf of the year. The event was followed by a wonderful Mexican food spread, including fajitas, tacos, nachos, chips, salsa and deserts.
