TOURNAMENT BREAKDOWN

2010 Ladies Club Championship

Champion * Rachel Moore 1st place net * Mary Secoy

The 2010 ladies Club Championship kicked off on the 21st of August, with anxious competitors ready to put their game on display. The 2 day championship was dominated by young Rachel Moore who put back to back career rounds together when it counted most. Warm weather and course conditions set the tone for this championship weekend. Congratulations to all the ladies who competed.

2010 Junior Club Championship

Champion * Jonathan Ryan 2nd place * Austin Bowers 3rd place * Austin Windham

The 2010 Junior Club Championship was played on the eve of the start of the new school year, for this field of competitors, this was their last golfing hoorah of the summer. The competition was tight from the start, the course was tough and a bit unforgiving at times, and the championship came down to a 3 man playoff. Jonathon Ryan emerged from the playoff the newly crowned Junior Club Champion. Congratulations to all of our talented juniors for a well played championship.

2010 Men's Club Championship

Overall Champion * Cole Thornton 2nd place * Steve Warzecha 3rd place * Jason Cochcroft

The 2010 Men's Club Championship was a smashing success this year. The field of 126 players, an amazing turnout for any championship, was ready to take on a course that had been prepped and readied by Mark Swygert and his crew, for the clubs biggest competition of the year. It was kicked off in the very early morning of August 28th with dew still dominating the golf course. The rough had been groomed for thickness and the green were FAST!! These conditions quickly made their presence known and continued to make for very entertaining golf, yet not always score friendly golf. Following the 36 hole event, the championship had still not been decided, so for this we had to go to a 2 man playoff between Cole Thornton and Scott Warzecha. The playoff was as exciting as they come, lasting 5 grueling holes with young Cole emerging as your new Club Champion. Congratulations to all the men that made this championship memorable and such a success.

2010 "Salute to Rock" Tournament

First Flight * Steve Gunter, Wes Gentry, Butch Derrick, Gavin Gillespie

Second Flight * Bill Cash, Tommy Howard, Jordan Cole

Third Flight * Artie Hughes, David Hughes, Joe Ardnt, Doug Surrentt

Once again the "Salute to Rock" golf tournament was a great success. With a full field and 3 flights competing for pride and prizes, we saw some great scores and a lot of smiling faces. The food and drink flowed and we raised significant money in Rock Gladdens name that will be utilized on and around the course for various improvement projects. Thanks to all who were involved in this wonderful annual event; hope to see you all back here next year.
